

# Gunardi Cahyadi

## Software Developer

Jakarta, Indonesia | +6281293313571 | [cahyadigunardi@gmail.com](mailto:cahyadigunardi@gmail.com) | [LinkedIn](#) | [Github/Portfolio](#)

### SUMMARY

---

I am a dedicated programmer with a strong commitment to creating websites and mobile apps. I am recognized for my enthusiastic, responsible, and confident demeanor. Whether working independently or as part of a team, I am prepared to deliver my best. I am highly enthusiastic about mutual growth and contributing to the success of the company. Always eager to contribute to shared goals and delighted to learn new things throughout the journey.
